

Business Consent

Protected B when completed

Read all the instructions before filling in this form.

Use this form either to consent to the release of, or changes to, confidential information about your business accounts, based on the authorization level you choose, to the named representative, or to cancel consent for an existing representative. For more information on the two levels of authorization, see the instructions for Part 3.

Once completed, send this form to your tax centre (see Instructions). You can also view, give, or cancel consent online using "My Business Account" at www.cra.gc.ca/mybusinessaccount. Representatives can manage their own authorizations at www.cra.gc.ca/representatives.
